CHALLENGES AND / OR NEW OPPORTUNITIES

1. Adding new members is the biggest challenge
2. 100% enrolling of members in pathways is another challenge
3. Decreasing Membership Retention

The opportunity we could see is forming a new club in our division.

PLAN FOR UPCOMING MONTHS

1. Planning to have some social, community events (other than new member orientation program) for adding new members
2. Contacting members who left the clubs recently to find out the reasons for leaving and rectify those so that they can join again and also to minimize losing members in future
3. Motivating all our clubs to have YLP and Speech Craft which in turn will enhance adding new members to our clubs
